Dear Ones at home

I received your most kind and welcome letter today and was more than glad to hear from you all and to hear you were all well. Well I got in 6 hours to day, it has rain ever since Sunday after noon and kept at it ~~until~~ untill today about 2 o'clock I tell you I wished I was home good many times

I did not get my toolbox till to day and one end was all busted out, and it cost \$5⁰⁰ Express I think they put it over ~~on~~ me

next time do as I tell you about wrapping wire or rope around anything that is heavy for they throw thing around so

I wish you all were all here every thing would be all right

2) but as it is now it is up hill
business if we had a house here
we could ~~get~~ rent it for a good price
and take in boarders and make
lots of money that way, now if
you think it best I will try and
exchange your 5 acres for a lot
and see if I can get a loan and
try and see if I can build a house
right away.

The man I'm working for has eight
houses to build and more to ~~build~~
coming, and more people coming
every day, there is from one to
five people come ever day, looking
for their land and lots.

There is eleven here tonight
some very nice people from all
~~over~~ over the United States.

I'm staying at what they the hotel
it is a portable house they have got
a rest room right near it with
a nice big fireplace and electric

3) ~~lives in~~ flights in chairs and
writing desk

I board just a little ways from
here at a boarding house, but just
as soon as some of the fto folks
get their houses done I'm going to
board and room with them and it
will be cheaper, but O I wish you
were all up here it would be more
like living

There is two bed in one room and
a nice ~~and~~ old man from Canada
told me to come in his room and
it would be cheaper for both of us
so it only costs me 5.0cts a day room
for room, and I got a meal ticket
21 meals for \$7.00

Most of the work at ~~present~~ present
is right close in, am working on
a house just a little way from
where they had their show
last ~~summer~~ summer

4) The man I'm rooming with is going
to build a garage a automobile house
~~and~~ said I ~~could~~ could stay with
him and it ~~would~~ would not cost
me anything so just as ~~so~~ soon
as ~~th~~ he get it done I'm going to ~~moor~~
write and tell me what you want
me to do

Well it is time for me to
go to bed Good night to all

and many kisses to all
Many thanks for the valentine
but would rather have the
real ~~than~~

from Dad
